PART 2 - Regulations

SECTION 1 - CLEC General Terms and Conditions

1. GENERAL

This Part sets forth the terms and conditions applicable to Resale Local Exchange Services in MSA-1 (the Service) ordered by U-Talk on a volume and commitment basis. U-Talk Services, a Competitive Local Exchange Carrier (hereinafter "CLEC") for use in the provisioning as a telecommunications service provider as specified by the Telecommunications Act of 1996, Pub. L. No. 104-104, 110 Statue. 56 (1996) ("the Act") and the rules and regulations of the Federal Communications Commission and the Illinois Commerce Commission. In addition, a written Confirmation of Order for Service to be provided on a volume and term commitment consistent with the regulations set forth in ILEC's Ill. C.C. No. 20 Part 22 Section 4.

The application therefore is to refer to CLEC's service ordering, repair requests or billing responsibility, and to ILEC's when designating service location, use, activation, configuration, or sizing.

Any reference or statement contrary to governing law, or regulations shall be superseded by applicable governing Bodies' application.

1.1 Rate Structure

For the Services as defined in Section 2 of Ill. C.C. No. 1, purchased from ILEC by CLEC at 30% discount for Resale to CLEC's Customers.

1.2 General terms and conditions as described in Tariff

ILL. C.C. NO.1, Part 2, Section 2, apply, and where appropriate, unless otherwise specified in this Part. As applied to services offered in this Part, the term "End User" contained in ILL. C.C. NO.1, Part 1, Section 2 shall be deemed to mean "CLEC's Customer" as defined in this Section. Any references in this Part to service descriptions in other sections of this tariff shall include all definitions, payment plans,

PART 2 - Regulations

SECTION 1 - CLEC General Terms and Conditions (cont.)

1.2 and other terms and conditions applicable to that service. Unless expressly provided to the contrary herein, however, such references do not incorporate the rates and charges contained in the referenced material. Where service descriptions use the terms "CLEC" or "Subscriber", such terms shall be deemed to mean:

1.2.1 "U-Talk Services" (as defined in this Part) when the context concerns ordering service (or as appropriate blocking service) for resale to its customers; entering into and terminating service for non-payment. Including calculating minimum usage requirements for optional toll calling; requesting connection and repair of resold service, including authorization for the dispatch of service technicians to CLEC's Customer's premises and performance of any premises work; and billing responsibility for the provision of service(s) ordered by CLEC.

1.2.2 "Carrier" (as defined in this Part) when the context concerns calculating daily usage, activation, or termination of service, connection and repair of resold service(s), including dispatch of service technicians to CLEC's Customer's premises and performance of any premises work; and billing responsibility for the provision of service ordered by CLEC.

1.3 Carrier is also the equivalent term when referenced service descriptions contain any of the following, or similar, terms: account agent, supervisor or attendant position or line; or "ILEC's Customer" (as defined in this Part) when the context concerns the definition of: the service location (premises); the configuration and sizing of the telecommunications system, network, or service resold; and the manner in which the resold

1.3 service, including any aspects or capabilities of service, are used, activated, or accessed.

2. Suspension of Services

2.1 Temporary Suspension of service is an arrangement that enables a customer to have both inward and outward service suspended for a temporary period.

2.2 Temporary Disconnection of service is the suspension of a customer's service for non-payment of bill according to contractual agreement, and as described in Billing Section of tariff Ill. C.C. No. 1.

3. Use of Service

3.1 The Company and CLEC shall be held harmless for any CLEC Customers' unlawful use of service. The Customer, and law enforcement agencies, and not the Company or CLEC, shall be sole responsible to ensure that Customer's use of services provided hereunder complies at all times with all applicable laws.

3.1.1 At which time that an order is issued, signed by a judge as defined by Illinois Revised Statutes, Chapter 38, Section 102-13, finding that probable cause exists to believe that the use made or to be made of the services is prohibited by law, or

3.1.2 The Company and/or CLEC is notified in writing by a Law Enforcement Agency acting within its jurisdiction that any facility furnished by the Company or CLEC is being used or will be used for the purpose of transmitting or receiving gambling information in interstate or foreign commerce in violation of law, service(s) shall be disconnected without prior notice to customer.

SECTION 2- Service Description, Rates & Charges

1. This section sets forth the Resale Local Exchange Services made available by U-Talk to its Customers. Rates and Charges, conditions, service area, service and feature In general, each rate, charge and fee is based on two primary factors; expenses and mark-up for local services.

- 1.1 Factor, the wholesale cost of service(s) with mark-ups, accordingly.
- 1.2 For the purpose of determining local 15-mile radius a vertical (V) and horizontal (H) coordinate system in used. The V & H system described in Ameritech (SBC) Ill. C.C. 20, are incorporated by reference in this tariff.
- 1.3 Indemnification: End User of resold services shall be solely responsible for illegal use of telecommunication services, and holds U-Talk Services harmless against any and all claims and expenses (including attorney's fees and costs) which may arise from or in connection with such illegal use(s) including, but not limited to, claims for libel, slander, infringement of copyright or patents, claims for injuries to persons or property damage or any other damage in connection with U-Talk Services' resold telecommunication services, arising out of any act or omission of the Reseller or Carrier, claims for interruption deficiencies, failures of errors in service and any consequences thereof and claims arising from mistakes in or omissions of directory listings.
- 1.4 U-Talk will not be responsible for manner or content which End User may engage that is not FCC approved or deemed as illegal activity, which originates, associates or facilitates from any resold service.

PART 3 - General Terms and Conditions

SECTION 2 - Construction Charges

1. APPLICATION

All rates and charges quoted elsewhere in this tariff provide for the furnishing of service(s) by ILEC as agreed upon between Incumbent Local Exchange Carrier and U-Talk Services, Inc.

2. SCOPE

2.1 Special Construction Charges Waived as specified are applicable for each of the following conditions:

2.1.1 When, at the request of the CLEC, the Company constructs facilities to provide service where there is no other requirement for the facilities so constructed, the Company shall wave all cost associated with such construction when the return on such costs is assessed to be 15% or higher annually.

2.1.2 When, at the request of CLEC, the Company constructs facilities of a type other than that which the Company would otherwise construct in order to provide service, that shall be beneficial to an otherwise neglected market,

2.1.2.1 and that market shall be deemed a market that the Company could realize returns of 15% or higher annually, or

2.1.2.2 market segment important or too small, or incapable of paying rates high enough to insure returns of 15% or higher annual.

2.2 CLEC shall pay construction costs for construction when, at the request of the CLEC, the Company constructs a greater quantity of facilities than that which the Company would otherwise construct in order to fulfill the CLEC's initial requirements for service, CLEC shall pay the excess construction cost over that which the Company would have ordinarily incurred.

PART 3 - General Terms and Conditions

SECTION 3 - Special Service Arrangements

1. Where CLEC require services which are not offered in this ILEC's tariff and which, are reasonable requests, such services shall be furnished at a charge based on the estimated current cost as determined by the circumstances in each case and agreed upon by LEC and CLEC.

2. Estimated current cost consists of an estimate of the following items to the extent that they are applicable:

2.1 Cost of maintenance.

2.2 Cost of Operation.

2.3 Depreciation on the estimated current cost installed of any facilities provided, based on the anticipated useful service life of the facilities with an appropriate allowance for the estimated net salvage.

PART 3 - Service Charges Cancels

SECTION 4- Service Charges

1. GENERAL

1.1 Service Charges are nonrecurring charges applicable to various CLEC requests for connecting, moving or changing telephone service, and are classified as either local exchange or inter-exchange, depending on the telecommunications service(s) to which they apply.

1.2 Service Charges are in addition to any other scheduled rates and charges normally applying under this tariff. They apply in addition to and not in lieu of Channel Charges.

1.3 The charges specified herein with the exception of certain Premises Work Charges do not contemplate work being performed by ILEC employees at a time when overtime wages apply; nor do they contemplate work once begun being interrupted by the CLEC or CLEC's customer. If CLEC requests overtime labor being performed or interrupts work once begun, a charge in addition to the specified charges will be made equal to the additional cost involved.

1.4 Service Charges for the initial establishment of telephone service are payable at the time application is made for the particular service or facility, and prior to the establishment of service.

1.5 Service Charges are applicable for the following work functions required to establish, add to, move or change telephone service:

1.5.1 Service Ordering Charge - Receiving, recording and processing information necessary to execute a customer's request for service.

PART 5 - Service Charges Cancels

SECTION 1 - Service Charges

1. GENERAL

1.1 Regulations

1.1.1 The Company's obligation to furnish requested services to CLEC's customers is governed by Regulatory Body(s), yet with exception of a negotiated Agreement, the Company shall furnish and install services to CLEC's customers according to schedule of Schedule section of CLEC's tariff ILL C. C. No. 1. (Refer to Schedule, Part 3 Section 1).

1.1.2 Because of central office and other facility limitations, it may not be possible for the Company to provide all of the services that may be requested by CLEC which exceed the performance Matrix (service projection). The service(s) requested which exceed Matrix shall not be subject to Regulation, or recourse of Schedule section of CLEC's tariff ILL C. C. No. 1.

1.1.3 900 SAC Blocking Service is available only for blocking access to all 900 SAC telephone numbers from a particular network access line, and not for blocking access to a specific 900 SAC telephone number.

1.1.4 Blocking of telephone numbers with the 900 SAC is available to Centrex services and Integrated Information Network (IIN) customers according to the regulations and charges contained in Ameritech's PART 5 and in PART 20, of Tariff ILL. C. C. No. 19.

1.2 Rates and Charges

1.2.1 900 SAC Blocking Service for residence and business network access line customers is provided upon request without charge.

1.2.2 Service Ordering Charges do not apply to orders adding this blocking service only.

2. 976 PREFIX BLOCKING SERVICE**2.1 General**

976 Prefix Blocking Service provides residence and business customers in Area Codes 312 and 708 with the ability to block access from a particular network access line to
